

# Thor

## Kombinert høylydshorn og blinklys med ringerele

### Horn / Sounder

*Werma Signalgeräte GmbH - Type 570*

Nominal voltage/current consumption: 220 VAC/110 mA  
Ingress protection: IP55  
Sound output: 108dB (A) @ 1m  
Sound frequency: 100 Hz

### Xenonbeacon

*Delta Design LT3*

Nominal voltage/power consumption: 220VAC/ 5W  
Ingress Protection: IP67  
Light Colour: White  
Flash Cadence: 90 flash/min

### Ring Detector

*Better by Design - BbD Telerele II*

Nominal voltage: 220VAC  
Maximum current: 150 mA (continuous)  
Ingress protection: IP67  
Triggering voltage (telephone line): 24-120 V (20 – 50 Hz)
